20th January, 1992

Dear Reader,

This time last year we were all expecting the school to be affected by profound changes in 1992. These changes have not materialized. Government and the Board of Governors struck an agreement to postpone the privatisation of the secondary school here until 1995. The good thing about this agreement is that all of the students presently at Warwick Academy will remain at the school until they finish their careers here - without having to pay fees! I feel sure that the great majority of the students feel very pleased and relieved by this. I am happy about this, too. All of us, however, must continue to work hard on behalf of the school to maintain and enhance its fine reputation for academic excellence and sound discipline. We all need to keep Warwick Academy true to its reputation and purpose.

Even a cursory glance through these pages will convince you that the school has retained its high standards in 1992. The photographs and the texts capture a whole variety of important curricular and extra-curricular activities which go on year after year at Warwick Academy. The House competitions, for example, have been going on since before the First World War. The Declamation Contest is a relative newcomer. It started in the 1960's. But the students change! New faces are photographed each year. You will see here the faces of your teachers, your friends, your contemporaries. Hopefully, you will see yourself in this book too. And possessing this Year Book will provide you with a fund of memories to fill your lifetime. It will help you to remember 1992. It will remind you that you were a member of a school with long traditions and high standards, that you are one of a long line of students over many years who have been educated at Warwick Academy.

Mr. Monroe and his student editorial team have done another excellent job in presenting this Year Book. I thank them most sincerely for their work in achieving this great photographic record of 1992.

So, everybody, treasure this book always. It provides you with a permanent, visual record of your life at Warwick Academy and, in years to come, it will remind you vividly of your school days and the traditions of which you were part.

September

The year started with yet the threat of another hurricane and the introduction of new procedures for a 'storm alert'. We all hope that this will never have to be put into effect.

We have 4 new teachers this year, a fairly moderate turnover for Warwick Academy. We have Miss Linda Steel to teach French, Ms. Caroline Finch to teach Biology, Mr. James Rooney to teach Latin and Mr. David Vine to teach Physics. They are all experienced and seasoned teachers. Mr. Rooney tells me that he is an avid fisherman and plans to disappear into the mountains of Scotland this summer to indulge in this activity. Mr. Vine is an enthusiastic basketball player and runner. He also dabbles with the tennis racquet and golf club. The two ladies are keeping their interests a well guarded secret.

This was supposed to be the final year of the school as a non fee-paying institution. In September 1992 we were to go private and we had no doubts that the school would change in many areas. The private Primary School will begin as planned but the private Secondary school will not start until 1995.

The physical lay out of the school will be altered to accommodate the new primary section and primary teachers will soon be seen hurrying and scurrying through these hallowed halls.

We are expecting to continue with the GCE but are making the necessary preparations for the GCSE, if required. The school will be following the British national curriculum and this will provide the framework for all teaching in the school. In the national curriculum our Students will be encouraged to reach their maximum level of attainment in each discipline. This will mean more reports and assessments of students for our teachers but our parents should be kept better informed of the progress of their children.

We had some cosmetic changes in a few areas. The noncompletion of homework earned a student a special homework and not regular detention. Homework detentions were conducted each evening for one half hour after school. It was as popular as ever with standing room only on most nights. This idea has been dropped now and we have regular detentions each day after school for our students.

The regular detentions have had a change of starting and finishing times. They now start at 3.40, not 3.30 and finish at 4.40, not 4.30.

There was another crackdown on uniforms and hairlength. Type of shoes are a bit of a mystery with no one quite sure what is or is not regulation footwear. Are dualtone shoes in or out? Is black suede acceptable? Ties have been encouraged to be the 'correct' length but they have a rebellious nature and seem driven to find their own personal styles. Other than that there appears to be nothing new in the fashion scene with regard to uniform.

We were encouraged to have a mix and match grub day in the Easter term. This is when we all intentionally dress with fashion not a priority. If you are confused just imagine dressing in the morning from your closet with your eyes tightly closed.

The D level results were good last year. This is happy news for everyone but congratulations to the students who put in all the hard work. How did Allison Shadbolt set all those A's?

We are having some new clubs this year. There is an Accounts Club with Mr. Appledorf and a Wordprocessing Club with Ms. Lombos. Can someone tell me where the Geography Club meets?

Computer technology has arrived at Warwick Academy. We now have a networked system which means we don't have to individually load each computer. It sounds great, but will it work.?

September witnessed an outbreak of fighting at the Washington bus terminal. Warwick students were not involved but the police had to sort out this particular problem. In the midst of this we had a visit from a reformed drug addict, stuntman, actor and comedian Denis O'Neill. In a humour filled 30 minutes Denis spoke to the school about his missing friends who's deaths had all be drug related. He told us that 'drugs give us the wings to fly, but take away or sky'. This was a serious message put across by Denis in a very effective way. Our students laughed at Popeye, Edith Bunker, Archie Bunker, Elmer Fudd and Rocky as they screamed across the message 'don't do drugs'. Drugs tend to be attractive to rebellious teenagers as they provide a way to be different from their parents. Unfortunately many teenagers retain the habit into full adulthood with the resulting misery. It is hard to tame the teenagers need to be different from the preceding generation and the only real solution would appear to be to eliminate the drug sources. If there are no drugs around then teenagers will seek other ways to be different. While some will undoubtedly find other dangerous and thrill provoking activities like drug taking, there is also the possibility that others might find more constructive ways to be express this natural need to be different.

October

October began with a long, wet and humid week. The soccer teams played at the 6-a-sides at Shelly Bay and did o.k-the juniors reached the semis and lost to Northlands on corner kicks.

Privatisation was also in the news again. At the A.G.M. of the Warwick Academy Association in early October there was plenty of action. As well as the new officers and a very helpful talk about the role of parents in the success of students, the latter half of the meeting became a forum for discussing the ways to continue the education at Warwick Academy of all students presently enrolled., in the face of it's decision to become an independent fee paying school in September, 1992. Mr. Horton, Mr. Richards, Mrs. Christopher, Mrs. Kempe, Mrs. Wallington, Mr. Beacroft and Mr. Pitman all spoke on this subject.

Various strategies were presented by different speakers- petitions, legal action, pressure groups, action committees, fundraising enterprises, government sponsorship of students. The continuation of government block grants and finding individual sponsors for individual students. Mr. Pitman also announced that the main fundraising effort for the school will begin in January 1992 and continue for at least 9 months.

All of the speakers had the welfare of our students at heart and the end result was an agreement for all Warwick Academy agencies to work together to ensure that students presently enrolled at the school finish their education at the school. It was revealed that the Warwick students themselves are thinking of forming their own committees to raise funds to pay for the education of those students who cannot afford the new fees. The meeting reflected a serious concern that Warwick students be able to complete their education at Warwick and that all avenues be explored to achieve this particular goal.

Warwick Academy then made the Editorial Column of the Royal Gazette. The Editor commented that the government had a responsibility to pay for the remaining years of education for those students attending the school at present. We agree.

More news came in that an ex-Warwick teacher had been made the Acting Headmaster of Northlands School. It is our former Music teacher-Mr. Warren Jones. Warren was teaching at Berkeley for one year before his appointment at Northlands. We are proud of you Mr. Jones.

Mr. Patchett disappeared again for two days to take part in a Corporate Relay race in Canada. We had Mrs. Booth step in to fill the breach.

Some Senior students left school for an afternoon to watch the movie 'Doctor' with Miss Grace.

October became official 'chewing gum' month when a plague of this dreadful stuff struck Warwick Academy and its environs. Although a detention offense, our students continued to chew the sum whilst in school and then get rid off it in the nearest location when approached by a teacher. This led to the dreadful sum turning up on clothes, shoes, hands and even hair.

Litter became a problem again with smaller bits and pieces finding homes around the outside basketball court. The headmaster reminded everyone not to litter the school-AGAIN.

This was also the month of the 'moment' - a silent pledge made by our students to avoid addictive substances.

Warwick Academy continued to turn up in the news as the month came to an end as the debate over privatisation raged between parents, the government and the board of Governors. All sides fired salvoes to support their own interest and the government finally made a statement disavowing all obligations to pay the fees of the students already enrolled in W.A.

The school did well again at the annual Swim Meet. A whole bunch of medals were doled out during one assembly in late October. It made one think of the assemblies in the other schools which actually won the competition-how many medals did they receive?

Mr. Booth returned from a weekend rugby game in crutches and looking very sorry for wear. Unable to move around he seemed confined to the trampoline and the old gymnasium.

This was also the month of the Thomas-Hill confrontation in Washington.

As the month came to a close the W.A. football tour to Florida finally took shape. Only 8 W.A. players could afford the trip so 2 boys were invited from Saltus and a further three boys were invited from Northlands. Games were organized with Seminole County teams in Florida between visits to the major Orlando attractions. Mr. Hall was unable to go this year and his humor was to be missed by all the group. The boys got together at the South Shore beaches for a trashathon to raise money for the tour.

Zandi And The Headmaster : Essay Competition

November

The news was good in November. News came through that the privatisation of the senior part of the school would be delayed until 1995, at least. This means that the students who enrolled in 1990 will be able to complete their education at Warwick without the payment of fees. This was quite a relief to many parents, especially in this time of recession and belt tightening-good news indeed.

The formation of the private Primary School will go ahead as planned in 1992. So, in effect, Warwick will be a mixture of fee and non-fee paying students until 1995.

Word also came through that the government would continue to administer the SSEE until 1995. This will allow Warwick, as usual, to choose the best students.

The Soccer Trip to Orlando went ahead as planned in early November. Mr. Smith and Mr. Monroe took a party of 12 students to Florida to play against teams in the Seminole and Maitland leagues. As they did not have enough Warwick boys the party also included 3 boys from Northlands. The trip lasted for 5 days and it had many highlights-the first headed goal on tour (Kevin DeSilva), the first victory on tour (against Maitland) and the first coaches game on tour (another victory for Bermuda). A sour note of the trip was the larceny of the team strip from a local laundromat. However, these were quickly replaced with two brand new sets of strips. The new black strip inspired our boys to one of their finest games against a Maitland team.

The boys also went ten pin bowling most nights and visited MGM studios to meet Indiana Jones, the Turtles and many other Disney characters. We made lots of new friends and were regally entertained by the Maitland team at the local Burger King and their own local indoor soccer arena. The boys also visited Wet n' Wild where they showed their courage on such rides as the Kamikaze, the Black Hole and the Blue Niagra- phew!!!

lunchtime in the faint hope that their display of waterproofness would inspire the staff to go ahead with sports day. Alas it was all in vain. Their courage in the face of adversity went unrewarded. Sports Day was finally cancelled somewhere between registration and our students getting changed. Word came through that it would take place at 'some as yet to be named time in the future'.

The flu virus finally stuck the school in December. The school reverberated to the strains of straining and streaming noses for the best part of three weeks.

Have you noticed that the level of noise inside the school has increased. It is almost impossible to get from one class to another without being subjected to the screams and shouts of the louder students. Have they got special permission to exercise their gift of loudness and do the rest of us have to be a witness? What about the students who imitate various animals between classes. How many parrots have you heard screaming or how many dogs have you heard barking? And what about our local 'rap' celebrities. Why do they always choose the echo areas of the school to subject us to this?

January/February

Good news for a change. Shareika returned to school as good as new. Well done Shareika.

January was 'O' level month. Our more able students were entered in the early sittings. The PPMH was closed for almost one month as the examinations were administered.

Mr. Booth tried to grow a beard and Mr. Hall took up golf.

The basketball, hockey and rugby season is in full swing. The Rugby teams almost completed a full sweep at the Whitney 7's. The Seniors and Intermediates won their respective divisions.

The weather has been very wet so far. Basketball practices and games have been cancelled as the rain continued to pour from January into February. The sight of half drowned students and teachers arriving at school became the norm.

Jamal did it again. He fell off those steps and injured his leg, again. He had to spend half of February doing his lessons in the Board Room.

The Homework detentions were dropped in favor of daily regular detentions. There seemed to be an endless stream of In-School-Suspended students. The draughty locations appeared to be occupied constantly throughout both months. Zane had the worst time of it at his desk at the bottom of the P.E. stairs.

There seems to be a plague of non-homework completing students at present. To compliment their non-work status they also seem to justify their inaction in the rudest possible way. Put simply, there are too many noisy, disruptive individuals who's only intellectual activity is to disrupt everyone else. How much cerebral work does it take to place a sharp tack on the seat of another student?

The Washington/Ski trippers were active during the months with popcorn sales and a trashaton. All appears to be ready for takeoff.

We had our Bowl-a-Thon in the PPMH. It was a roaring success and Warwick did have a few winners this year. It's not surprising with all the practice they got during the Soccer trip to Orlando in November.

The poor Badminton Club members have found it very difficult to practice this term. They have to stack the Assembly Hall chairs before they play and then replace them afterwards. This leaves about 20 minutes for actual practice.

Valentine's Day approaches and Robertson House invited potential lovers to leave messages on their Noticeboard. What a good idea! It was well filled by the middle of the month.

A plague of grafitti in the bathrooms again-boys and girls. This appears to surface about once per year for about 2 weeks. Mr. Beacroft and Mr. Rodriguez were the most written about during February. Will they continue to dominate the ratings in March? We shall see.

The Business Club

Unfortunately the Business Club went out of business. This was the first attempt by the school to set up a programme such as this. The idea was for students to create a bonafide business and run it in a professional manner. It would appear that we will need more practice at this.

The modus operandi of the business was to sell Warwick Academy sweatshirts on a profit making basis with profits being used for future expansion. Mr. Appledorf got out students as far as the design and market survey part of the venture. Following that interest declined and our business fell victim to the recession of 1992.

It is hoped to regenerate interest in this activity in the future as students do need experience of keeping journals and completing trial balances and financial statements.

However, Mrs. Lombos first year Wordprocessing Club continues to thrive. Under her enthusiastic leadership these young students have been using the computer facilities to complete their BSSC English portfolios. They meet on Thursdays after school.

The Bridge Club were under the leadership of the redoubtable Mr. Hall. They met on Tuesdays at lunchtime and this club was well attended. The opening hours of the library are as follows-
8.15-8.40 a.m.
12.10-12.40 p.m.
3.30-4.30 p.m.

The Student librarians have lots to do after school. Each student has a section to keep tidy and they also work at upgrading catalogue cards. They also use the computer to check out books and enter books into the library. This year there are several new items in the library for our students. There is a networked IBM 286 computer. Also available is a 286 IBM for wordprocessing. PC Globe, PC Paintbrush and a Lotus 1, 2, 3 package. There are also some new games to play such as the ever popular MeanStreets. There is space for 5 more computers and one printer to be installed this term. Finally the library also has a C.D. ROM with an encyclopedia package.

The Stockroom

The Stockroom was under the watchful eyes of Mr. Chandler once again. With his able assistants he supplied the school with most of its needs throughout the year. Open in the morning and after school these girls deserve our applause for their patience and dedication.

The Tuck Shop

Selling all sorts of delightful lunchtime treats Mr. Wrigley and his staff once again went beyond the call of duty to increase the calorific intake of our student body. Chocolate bars, candy and sodas were much in demand as the temperature and work pressure increased throughout the year. The funds raised by the Tuck Shop are used to buy various school supplies for use by our students. The clocks on the walls are one of the many results of the efforts of Mr. Wrigley and his girls.

The Sick Room

The Sick Room girls once more took care of the cleaning side of this facility. Without their care and attention this room would soon enough be in a sorry state. Well Done!

The Leo Club

The Leo Club

With a motto like 'we care' the Leo Club has been at the forefront of good deeds by the school. LEO stands for Leadership, Excellence and Opportunity and these students have lived up to these expectations. They are led by President Adam Bruton and they meet to plan their operations in the Lecture Theatre on Fridays after school. This year they visited an Old Peoples Home and provided them with some much needed entertainment and company. They are also planning a sponsored walk for the blind. They had their own stall at the Annual Agricultural Show in April and on a lighter note they had a very successful party in the gymnasium. Their main aim is to raise cash for charity and help out in the community. Well Done Leo Club members.

The Duke of Edinburgh Award Acheme

This activity has been in operation for two years now under the guidance of Mr. Dobson. It is based entirely on one class-4 East. The students are in various stages of completing work for bronze or silver awards. To qualify for these awards the students have to take part in 4 activities- a service to the community, the development of a personal skill, participation in a sport and taking part in expeditions.

Our students took part in 6 expeditions, 5 of them involving a 15 mile walk and an overnight camp.

Twenty students gained their bronze awards this year at a ceremony hosted by the Duke of Edinburgh and Sara Mancell and Claudia Seymour have completed their silver awards.

The Yearbook

Mr. Monroe was again in charge of the School Yearbook. This year he had a good crew to help him produce this edition. In Lay-Out there was Rebecca Perinchief, Claudia Seymour and Sara Mancell. Rebecca was the creative master, Claudia was the worker and Sara provided the determination to get things completed.

In the financial side of things Sara Collins provided the leadership. Sara took care of organising both the Grub Days and the Hot DOg Sales. Sara did a great job. Also on the Hot Dog Sales were Michelle Bucy, Sandra Pavao, Cynthia Millett, Kim Hayward, Melissa Hrubos and other students at various times throughout the year. This is a messy job and these girls did well to stick at it throughout the year. They had to purchase, cook and sell these Hot Dogs all on one day, and they had to clean up after them in the Cooking Room. We had the use the Cooking Room once again thanks to the kindness and consideration of Miss Coakley. Thank you Miss Coakley. Kristy Dunn also helped out with the typing. The book was late again as we tried to include as many activities as possible in the edition. This means delaying the production until the last possible moment. We also found it very difficult to raise cash through advertising, a consequence of the general depression affecting the island. However, we did have the financial assistance of the WAA and the Tuckshop this year. We thank them for their thoughtfulness and generosity.

The French Club was under the direction of Miss Steel. This year Miss Steel introduced new innovations to aid in the teaching of this very difficult language. As you can see in the photos they did not always conduct classes in the regular setting and they did have guests along to witness their activities. They enjoyed themselves and learnt a lot of French along the way.

Junior Soccer

The Junior Soccer team was coached by Mr. Monroe. They had an unsuccessful season winning only 2 games and losing 4 games. Team members were Scott Constable, Craig Ferguson, Ibou Barry, Andrew Caton, Winston Foggo, Raymond Glasford, Philip Trott, Tyrone Douglas, Dennis DaPonte, Jason Sukdeo and Nathan Trott. The boys struggled to match the skills of the opposing schools but they hope to do better next year.

Intermediate Soccer

This team was coached by Mr. Smith and began the year with an 8-1 victory against Saltus. They were knocked out of the Cup by Whitney and ended the season without placing in the league. The team was Michael Smith, Darren Trott, David Thomas, Milique Fubler, David McHugh, Jamal Smith, Kevin Zuill, Stephen Bothelo, Devonne Dent, Jahrzino Simmons, Victor Richards, Ian Morrison, Kevin DeSilva, Otis Simons, Alisdair Barclay and Quinton DeShields.

SENIORS

Senior Soccer

This team was coached by Mr. Booth. They won 2 games, tied 1 game and lost 5 games. Jazane and Keion were chosen for the All Star game. The team reached the quarterfinals of the cup and were placed 5th in the league. The team was Nakia Wolffe, Randi Simons, Jeramine DeSilva, Gerald Simons, Euell Smith, Jazane Smith, Jaron Tucker, Raymond Walker, Danya Nearon, Miguel DaPonte, Keion Simmons, Jamico Smith, Ian Bascome, Danny Faria, Paul Franco, Daniel Smith, Shane Weeks and Shad Subair.

The 1992 Tennis Club.

Tennis

The Tennis Club met throughout the year under the watchful eyes of Miss Finch, Miss Steel, Mrs. Fullerton and Mr. Wrigley.

Miss Finch and Miss Steel ran the beginners club while Mr. Wrigley ran the intermediates and Mrs. Fullerton handled the advanced group.

Diehard tennis addicts braved the elements (the weather not the periodic table) during term two with Mr. Wrigley.

In the third term, competitive matches (singles and doubles) were arranged within the tennis club and against other schools, the results of which were not available at press time.

Kalvin Bean won the prize of "Tennis Club Play of the Year' for overall attitude, attendance, ability and improvement. This is a new award and will be presented annually.

Altogether, fifty students took part in the tennis club this year at various levels of ability. Tennis is a social as well as a competitive sport and the tennis club philosophy reflects this. Good manners, honesty and a strict tennis code are needed to play tennis at Warrick Academy. (A racquet is also useful)

Morning training

This is something I started which I feel can be more fully utilized by both students and staff alike. We get in the water at 6.30am and swim till 8.00 just in time to get changed and into class. It starts the day off correctly and does not encourage fatigue as most would assume but actually increases the blood flow and makes you more attentive and able to concentrate throughout the day.

We do cater for all levels of swimmer from the National squad swimmer to the person who is doing it for the health and fitness benefits. I will name some of the swimmers who came to these sessions to give you some idea of the range of ability. My apologies if I do not name you all. Tamika Wiliams, Karen Blanchette, Sara Mancell, Amanda Smith, Mandy Oatley, Dane and Dene Swan. We even had Raymond De Silva turn up a few times, and Tamika Johnson and Mr. Wrigley ventured in several times. I would like in the future to see more of the School swimming team coming to some of these sessions and a lot more swimmers who are interested in their health and well being. Injuries are also catered for in these sessions, weightless activities are encouraged for nearly all injuries and also bring about restrengthening therefore a must for all people who have been injured especially sporting people.

Swimming activities

These went on every day from 3.40-5.00 and catered to all level of swimmer. Mr. Newby took the more able swimmers Monday, Wednesday and Friday afternoons working on stamina and individual stroke skills.

Mr. White took the intermediate swimmers on Tuesday and Thursday afternoons and concentrated on stamina and endurance work and did group stroke work on all 4 strokes.

Mr. Taylor took the beginners on Mondays and Wednesday afternoons and has had great success. We encouraged all those students who seemed to be having trouble in class time to attend these sessions. Now nearly all the non swimmers can swim, which makes my job a lot easier in class time.

Class Swimming

All school students have to take swimming once a cycle as part of their school timetable. When we get in the pool we concentrate on using the medium of the pool as a means of acquiring a certain degree of fitness as well as improving the efficiency of all 4 strokes. For all the classes we also have some water polo which serves as fun but can also be very demanding on fitness as well.

With the 4th and 5th years we were very fortunate to have Mr. H. Morris, who runs the Bermudian Lifeguard programme and teaches for the Royal life saving society here in Bermuda, come along and take them for levels 1 - 3 basic life saving awards. This will in future be run for the 4th year on a regular basis by Mr. Newby. Nearly all students also got a trip down to the Dock to be given some basic instruction in "the dangers of open water swimming" and personal survival in certain situations relevant to Bermuda. In the Winter Months the pool is out of action because it is not heated, so we use the swimming lesson as a means of enhancing the levels of fitness in the students of Warwick Academy. It has taken nearly a year but the improvement has been fairly remarkable and we managed to get nearly all the students to understand the need for a fit and healthy body.

Over 30 students regularly turned out on Tuesdays and Thursdays for training sessions run by Mr. Patchett (juniors) and Mr. White (seniors). A solid nucleus of students have now been playing for 2-3 years and skills are improving.

At the Whitney 7's our winning ways continued with the U15 A and B teams finishing first and second respectively, and the U17 team retaining the trophy they won last year. For the U13 team it was a learning season but they showed ability and determination.

In 15 a side rugby the U14's, organised by Mr. Patchett, went unbeaten, crushing both Whitney and Saltus in home matches. Overall it was an excellent season and we are looking forward to even greater success next year.

PRIZE NIGHT

Warwick Academy Prize Day, 1991

Headmaster's Report

1990-1991 WAS ANOTHER VERY SUCCESSFUL YEAR FOR WARWICK ACADEMY. THE FIFTH YEAR STUDENTS PERFORMED ESPECIALLY WELL IN THEIR ACADEMIC WORK. AT ALL YEAR LEVELS THERE WERE EXCELLENT PERFORMANCES IN THE EXPRESSIVE ARTS AND SPORT AND MANY INDIVIDUALS ACHIEVED DISTINCTION IN THEIR DIVERSE ACTIVITIES BOTH WITHIN AND BEYOND THE CLASSROOM.

THE EIGHTY FIFTH-YEAR STUDENTS OBTAINED 504 PASSES AT GRADES A, B AND C IN THE GENERAL CERTIFICATE OF EDUCATION ORDINARY LEVEL, A 78% SUBJECT ENTRY PASS RATE. 52 OF THE 80 STUDENTS GAINED FIVE OR MORE ORDINARY LEVEL PASSES AT THESE GRADES AND THE AVERAGE NUMBER OF PASSES FOR EACH FIFTH FORMER WAS 6.3. BY ANY STANDARDS THESE ARE EXCELLENT RESULTS. NO SCHOOL IN BERMUDA, PUBLIC OR PRIVATE, WILL BETTER THESE RESULTS THIS YEAR. IN THE PAST EIGHTEEN YEARS OF SCHOOL RECORDS THERE HAVE ONLY BEEN FOUR OCCASIONS WHEN WARWICK ACADEMY STUDENTS HAVE DONE BETTER THAN THE OUTGOING FIFTH YEAR. THE ENGLISH DEPARTMENT ENTERED ALL OF THE YEAR GROUP AND ALL BUT TWO PERSONS PASSED ENGLISH LANGUAGE. THE DEPARTMENT ALSO ACHIEVED AN 83% PASS RATE IN LITERATURE. THE SCIENCE RESULTS WERE ALL IMPRESSIVE. MATHEMATICS GAINED A 75% PASS RATE AND BOTH FRENCH AND GERMAN RETURNED VERY PLEASING RESULTS. THE FIFTH YEAR'S RESULTS IN THE BSSC PROGRAMME REFLECTED THOSE OF THE ORDINARY LEVEL. TWENTY TWO OF THE EIGHTY STUDENTS EARNED HONOURS CERTIFICATES WITH GRADE POINT AVERAGES OF 3.5 OR BETTER.

MR. BROCK & MR. PITMAN

ALL STUDENTS IN SCHOOL ARE ASSESSED INTERNALLY. THEIR YEAR GRADES CONSIST OF A MARK OF 60% BASED UPON CONTINUOUS ASSESSMENTS AND FORMATIVE TESTS GIVEN THROUGHOUT THE YEAR AND A MARK OF 40% DERIVED FROM AN END OF YEAR WRITTEN EXAMINATION. ON THE CRITERIA STUDENTS GAINING AN AVERAGE OF 80% OR MORE FOR THE YEAR ACHIEVE FIRST HONOURS, THOSE WITH AN AVERAGE OF 75-79% RECEIVE SECOND HONOURS, AND THOSE BETWEEN 70 AND 74% AN HONOURABLE MENTION.

LADIES AND GENTLEMEN, BOYS AND GIRLS, THE SCHOOL WISHES TO CONGRATULATE JENNIFER BUTTERWORTH ON HER PLACE AT THE UNITED WORLD COLLEGE AT LESTER B. PEARSON COLLEGE OF THE PACIFIC, CHRISTOPHER RICHARDS ON HIS INTERNATIONAL ROTARY STUDENT SCHOLARSHIP TO THE PHILIPPINES, JENNIFER SMATT, HEAD GIRL LAST YEAR, ON HER PARTICIPATION IN THE PAN AMERICAN GAMES IN JUNE, AND DANIEL MORGAN, HEAD BOY LAST YEAR, ON HIS AWARD OF THE DENTON HURDLE MEMORIAL TROPHY FOR THE ISLAND'S BEST SECONDARY SCHOOL SPORTSPERSON.

DANIEL ALSO WON THE SPORTS BOY TROPHY IN THE 1991 TEEN AWARDS. FOUR OTHER FIFTH FORMERS WON RECOGNITION IN THIS COMPETITION TOO:- HERBERT DRUMMOND - LEADERSHIP BOY; JESSICA BURGESS - LEADERSHIP GIRL; SYREETA BEAN - SPIRITUAL LEADERSHIP; AND LORI MORRIS - SPORTS GIRL.

FORTY FIVE OF THE OUTGOING FIFTH YEAR STUDENTS HAVE GAINED PLACES AT THE BERMUDA COLLEGE, 12 OTHERS WENT TO THE SIXTH FORM AT SALTUS GRAMMAR SCHOOL. TWELVE STUDENTS WENT TO SCHOOLS/COLLEGES OVERSEAS.

MYRON SMITH WON AN APPRENTICESHIP WITH THE BERMUDA ELECTRIC LIGHT COMPANY AND IS PRESENTLY IN YORK, ENGLAND, UNDERGOING THE FIRST PART OF HIS TRAINING IN ELECTRICAL ENGINEERING.

ELEVEN STUDENTS ARE IN EMPLOYMENT LOCALLY.

THE SCHOOL CONTINUED TO WORK VERY HARD AND VERY SUCCESSFULLY AT ITS MUSIC PROGRAMME. BAND, STRING ORCHESTRA, FULL ORCHESTRA AND CHOIR WERE ALL INVOLVED IN A WINTER AND TWO SPRING CONCERTS AND THESE VARIOUS GROUPS WERE INDIVIDUALLY INVOLVED IN A LARGE NUMBER OF OTHER PUBLIC PERFORMANCES - AT THE PEACE LUTHERAN CHURCH, THE WARWICK WORKING MEN'S CLUB, THE BANK OF BUTTERFIELD, THE MARRIOTT CASTLE HARBOUR HOTEL, THE WOMEN '91 COCKTAIL PARTY, THE DUKE OF EDINBURGH AWARD CEREMONY AT GOVERNMENT HOUSE, AND THE ANNUAL HERITAGE YOUTH SERVICE AT THE NATIONAL STADIUM. FORTY SEVEN OF OUR MUSICIANS GAINED ROYAL SCHOOL OF MUSIC CERTIFICATES AT VARIOUS GRADE LEVELS. REBECCA PERINCHIEF AND CLAUDIA SEYMOUR REPRESENTED THE SCHOOL AT THE PREMIER'S CONCERT IN DECEMBER AND BOTH GIRLS, TOGETHER WITH SHANE THORNE, CINDY CLARKE, ANDREA SIMONS AND JONATHAN LIGHTBOURNE PLAYED IN THE BERMUDA PHILHARMONIC POPS CONCERT EARLIER THIS YEAR.

THE MONTH OF MAY SAW THREE NIGHTS OF DRAMS, A VENTURE OF A DIFFERENT KIND TO THE MUSICAL EXTRAVAGANZAS OF RECENT YEARS. PATRON'S NIGHT, WITH ITS SUPPER AND JAZZ MUSIC AND PLAYS BY JEAN PAUL SARTRE AND TOM STOPPARD, ATTRACTED NINETY PEOPLE BUT THE OTHER NIGHTS ATTRACTED SMALLER AUDIENCES, A DISAPPOINTMENT FOR THE YOUNG ACTORS AND ACTRESSES WHO DID WELL WITH THEIR DIFFICULT SCRIPTS.

REBECCA PITMAN, VANESSA HARDY, MATTHEW MARTIN AND CELIA MENDONCA WERE ALL HIGHLY COMMENDED IN THE 1990 COMMONWEALTH ESSAY COMPETITION WHICH ATTRACTED 4000 ENTRIES FROM 800 SCHOOLS IN 41 COUNTRIES.

CONGRATULATIONS, TOO, TO DESSA MILLER AND CAROLENE BEEK WHO WON THEIR SECTIONS IN THE HOTEL SALES AND MARKETING ASSOCIATION ESSAY CONTEST AND TO MELVIN DOUGLAS FOR GAINING FIRST PLACE IN THE FIRE SERVICE'S WRITING COMPETITION ON FIRE SAFETY. SHANE THORNE AND XANA JONES WON SECOND AND THIRD PRIZES RESPECTIVELY IN THEIR CATEGORIES OF THE ROYAL GAZETTE CHRISTMAS STORY COMPETITION.

LAST MONTH, THE SCHOOL SWEPT THE BOARD IN THE STUDENT'S ESSAY CONTEST IN TOURISM AWARENESS WEEK. AMANDA WALTHAM TOOK FIRST PRIZE IN THE 13-17 YEAR OLD CATEGORY, WITH SEAN SMATT AND JESSICA LIGHTBOURNE IN SECOND AND THIRD PLACES RESPECTIVELY. THE MINISTER FOR TOURISM'S SPECIAL AWARD WENT TO AARON CLENDENING.

IN SPORTING ACTION THE SCHOOL'S GIRLS' TEAMS HAD A VINTAGE YEAR. THE SENIOR GIRLS WON THE CHAFFEE TOURNAMENTS FOR BOTH VOLLEYBALL AND BASKETBALL AND THE BSSF BADMINTON TOURNAMENT. THE U15 SIDES WON THE BSSF TRACK AND FIELD AND THE CROSS-COUNTRY CHAMPIONSHIPS. JUNIOR GIRLS' TEAMS WON THE VOLLEYBALL LEAGUE CUP TOURNAMENT, THE BSSF CHAMPIONSHIPS IN HOCKEY, BASKETBALL AND SOFTBALL, AND THE CHAFFEE BASKETBALL TOURNAMENT. THE WARWICK ACADEMY GIRLS' TEAM WON THE SCHOOL SWIMMING CHAMPIONSHIPS AND THE DELOITTE TOUCHE 3-MILE ROAD RELAY. OUR BOYS TOOK THE SENIOR AND THE JUNIOR TITLES IN THE WHITNEY RUGBY 7'S AND THE INTERMEDIATE SOCCER TROPHY IN THE BERMUDA SCHOOLS KNOCKOUT TOURNAMENT.

FINALLY IN MY HONOUR ROLL FOR 1990-91 I MUST MENTION THE ACHIEVEMENTS OF SEVERAL FORMER WARWICK ACADEMY STUDENTS. MIAR HUGHES, WHO GRADUATED FROM THE SCHOOL IN 1987, HAS BEEN SELECTED FOR MEMBERSHIP IN THE NATIONAL SCHOLASTIC HONOUR SOCIETY PHI BETA KAPPA FOLLOWING THREE YEARS OF VERY SUCCESSFUL STUDIES AT THE UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL, LAURA KEMPE, WHO LEFT HER IN 1989, HAS WON A PLACE TO READ GEOGRAPHY AT CAMBRIDGE UNIVERSITY IN ENGLAND. CHRISTOPHER GAUNTLETT, NOW AT RIDLEY COLLEGE, HAS BEEN AWARDED THE WATSON MEMORIAL SCHOLARSHIP FOR HIS MUSICAL ABILITY AND POTENTIAL.

LADIES AND GENTLEMEN, BOYS AND GIRLS, YOU ALL KNOW WHAT WARWICK ACADEMY STANDS FOR. THIS EVENING I HAVE GIVEN YOU AMPLE EVIDENCE TO DEMONSTRATE THAT IT CONTINUES TO LIVE UP TO ITS REPUTATION AS A GOOD ACADEMIC SCHOOL. LIKE ALL SCHOOLS WARWICK ACADEMY HAS TO WORK INCREASINGLY HARD TO MAINTAIN ITS GOOD STANDARDS. AND STANDARDS EVERYWHERE ARE UNDER ATTACK, NOT ONLY IN SCHOOLS BUT IN SOCIETY AS A WHOLE.

SCHOOLS ARE ONE OF THE LAST BASTIONS OF DEFENSE AGAINST THIS ONSLAUGHT ON TRADITIONAL VALUES. SADLY, MANY ARE FAILING. WARWICK ACADEMY IS NOT. IT HAS CLEAR RULES AND PROCEDURES. IT TRIES TO ENFORCE THEM FAIRLY. THE SCHOOL HAS HIGH EXPECTATIONS OF ITS TEACHERS AND STUDENTS IN BOTH ACADEMIC AND EXTRA-CURRICULAR WORK. ITS CURRICULUM IS A RIGOROUS ONE, AND CHALLENGING TO EVERY STUDENT. IT EQUIPS EVERYONE WITH THE BASIC INTELLECTUAL AND SOCIAL SKILLS REQUIRED FOR FURTHER EDUCATION, EMPLOYMENT, CITIZENSHIP AND PARENTHOOD. EVERY STUDENT HERE KNOWS THAT HE/SHE HAS GOOD COGNITIVE ABILITY AND THAT IS HIS/HER RESPONSIBILITY TO DEVELOP IT TO THE FULL THROUGH HARD WORK, DETERMINATION AND PERSISTENCE. EDUCATION IS NOT AN INSTANT THING BUT A LIFE LONG PROCESS OF INTEREST, EFFORT AND COMMITMENT.

SUPPORT FOR THESE BASIC IDEAS, I BELIEVE, IS WIDESPREAD THROUGHOUT THE WARWICK ACADEMY COMMUNITY. GOVERNORS, TEACHERS, PARENTS, OFFICE STAFF AND STUDENTS - I THANK YOU ALL FOR YOUR SUPPORT OF THE SCHOOL BECAUSE IT IS YOUR SUPPORT, INVOLVEMENT AND ENTHUSIASM WHICH MAKES THE SCHOOL AS SUCCESSFUL AS IT IS.

THE SCHOOL IS BOTH RELIEVED AND PLEASED BY THE JOINT STATEMENT OF THE BOARD OF GOVERNORS AND THE MINISTRY OF EDUCATION ISSUED YESTERDAY CONCERNING THE TIMINGS OF THE PRIVATISATION OF WARWICK ACADEMY. RELIEF FOR SEVERAL GOOD REASONS: A CONTENTIOUS AND DIFFICULT SITUATION IS RESOLVED TO THE SATISFACTION OF MOST INTERESTED PARTIES; IT PROVIDES AN END TO THE INCREASINGLY STRESSFUL ATMOSPHERE IN RECENT MONTHS WITH WHICH STUDENTS, PARENTS AND TEACHERS HAVE HAD TO CONTEND; AND THE WAY FORWARD, FOR THE FIRST TIME IN SEVERAL YEARS, NOW HAS CLEAR MILESTONES AND SIGNPOSTS POINTING THE WAY. THE SCHOOL IS PLEASED TO SEE RETAINED FOR SEVERAL YEARS THE PROCEDURES WHERE BY WARWICK ACADEMY CAN RETAIN ITS SELECTIVE INTAKE AND SO MAINTAIN THE SPECIAL ETHOS AND CHARACTER IT HAS BUILT UP

KIM & NAT

OVER MANY YEARS. AN INTENTION TO PRIVATISE IN 1995 WOULD HAVE BEEN JEOPARDIZED SEVERELY IF FOR SEVERAL YEARS ITS INTAKE WAS TO BE A NON-SELECTIVE ONE.

I THINK THE BOARD HAS RESPONDED TO A DIFFICULT EDUCATIONAL AND FINANCIAL SITUATION WITH HONOUR AND SENSITIVITY AND, BY SO DOING, HAS ENHANCED ITS STANDING IN THE COMMUNITY. GOVERNMENT HAS ACTED WITH COMPASSION AND FAIRNESS TO THE NEEDS OF THE WARWICK COMMUNITY AND TO THE SCHOOL AS AN INSTITUTION SEEKING TO PRESERVE ITS TRADITIONS AND SHAPE ITS OWN DESTINY.

NO OTHER SCHOOL IN BERMUDA POSSESSES, WITHIN A RURAL SETTING, SUCH AN EXCELLENT CAMPUS WITH SO MANY DIVERSE FACILITIES AND OPPORTUNITIES FOR BOTH CURRICULAR AND EXTRA-CURRICULAR ACTIVITIES. WARWICK ACADEMY WELCOMES THE OPPORTUNITY AND THE CHALLENGE TO OFFER A UNIFIED, COHERENT, BROAD, BALANCED AND PROGRESSIVE EDUCATION THROUGHOUT THE FIVE TO SIXTEEN AGE RANGE.

TO ALL OF ITS STUDENTS OF THESE AGES IT WILL OFFER A CONTINUOUS EDUCATION IN A STABLE AND SECURE ENVIRONMENT.

THE SCHOOL NOW WILL GO FORWARD WITH CONFIDENCE AND PURPOSE. LADIES AND GENTLEMEN, BOYS AND GIRLS, LONG LIVE WARWICK ACADEMY.

Robertson House

Robertson House was led by Mrs. Lombos and Mr. Wrigley. Their House Captains were Randi Simons and Shane Thorne. The Vice Captains were Raymond Walker, Gavin Carter, Lloyquita Symonds and Therese Lowe.

Robertson had a disappointing year and performed badly in the points race. However, there were many highlights. Jennifer Stervinou worked outstandingly again to produce attractive noticeboards throughout the year with additional help from other house members.

The U15 boys soccer team had a clean sweep in the interhouse soccer, while in the tug-of-war the entire house did well.

The Track and Field saw some excellent individual performances from Randi Simons, Gavin Carter, Cara Wallington and Dennis DaPonte.

There were sterling efforts from several house members in the swimming competition but lack of depth in the house led to an overall poor performance.

Top merit winners for the house were Mandell Douglas, Jennifer Hill, Shivonne Place, Glynnis Swan, Chantelle Simmons, Paul Franco, Therese Lowe, Sharnelle Turini and Del-Keesha Hanley.

Mr. Wrigley and Mrs. Lombos are both looking for greater effort next year by the junior members of the house as we are losing many of the seniors this year who have contributed so much over the past 5 years.

RHODES

Rhodes House

As reigning House champions, Rhodes House has found it difficult to stay at the top, despite pushing Morgan for most of the year.

In the first Sports Day of the year Rhodes achieved 2nd place in both swimming and tug-of-war. These two positions combined with a 3rd place in cross-country consolidated Rhodes' 'second' place standing in the overall House competition.

Rhodes fared less well at soccer and net ball despite winning the girls U15 netball. However, in the track and field meet there were some fine performances which gained us a second place overall.

Although there has been a definite lack of enthusiasm at the house noticeboard display, Rhodes students have excelled themselves in the number of merits gained. Well Done everyone and especially Kim Burgess who had gained more than 200 merits this year. Keep up the effort Rhodes and let's regain the number one spot next year.

MORGAN

Morgan House Report May 1992.

The 1991-92 school year has been a very successful and rewarding year for Morgan House. Two years ago this House was trailing the other 3 houses in the inter-house competition, last year we came a close second to Rhodes but, this year, thanks to a total commitment from the house, we are in first place. This is due to the enthusiastic way everyone in Morgan House took up my challenge to win at the beginning of the year. As a House we won the Swimming, Notice Board and Merit competitions and by taking part in all the other competitions, even when we knew we might not win, we found ourselves 1,000 points ahead. I would like to thank everyone in the House for their support and enthusiasm, and my special thanks go to House Captains, Danilee Trott, Adam Bruton, Jermanine DeSilva and Kimberley Zuill, and Board Monitors, Mandy Oatley, Rebecca Perinchief and their crew of helpers. I would also like to thank all the teaching staff in Morgan House for all their wonderful help all year. Everyone in the House has made my job, and that of Mr. Newby, a pleasure to perform.

We Consider Our Staff To Be Our Most Prized Resource

Calvin Dill
The Assistant Personnel Manager.
Calvin joined Cable and Wireless in 1967.

"It's remarkable just how much Cable and Wireless invests in its staff. In fact, half a million dollars was spent last year on staff training alone. There's no question that one of our highest priorities is making sure our staff know their job and have both the training and skills to do it right.

Because Every Day, Bermuda Is Calling On Us

Today, about 125 Bermudians and a small number of foreign staff are working together at Cable and Wireless. Each one of us shares in our commitment to provide Bermuda with the very best in world-wide telecommunications."

ON THE BOAT

The Duke of Edinburgh Expedition to Ferry Reach

On 13 March, 1992 Four East set out on the expedition of their lifetime. At 9:00 a.m. they set out from Warwick academy with rucksacks laden with camping equipment on their backs. After hours of walking they finally arrived at Ferry Reach where they set up their tents and started cooking their dinner.

The following day began bright and early for the campers. After a hearty breakfast, and a little mishap with Janaia's teeth, they set out for St. George's. They were going to look at all the forts in the area. At 3:00 p.m. the boat arrived to take them to Paget Island. They boarded up and set off across the blue waters. On Paget Island they swam, fished, roasted marshmallows, played soccer and talked. By 11:00 p.m. everyone was exhaused and fell into a deep sleep in their warm comfy tents.

On the next day they held a church service after breakfast and then set off for the aquarium. They arrived by 1:00 p.m. They were picked up by their parents and taken home. They are now looking forward to their Gold Expedition-all sixty miles of it. Good Luck!

Van And Hotel Hilton

Florida

The Soccer squad made another visit to Florida in November, 1991. It was a reduced team but they managed something which had never been achieved before. They won a game and they also scored their first headed goal, courtesy of Kevin DeSilva. Mr. Smith, Mr. Monroe and Mr. Vine led the tour party.

The team stayed at the Inns of America hotel on International Drive which is only a short journey away from Wet n' Wild. They also enjoyed the benefits of being close to places such as Pizza Hut, Burger King and the famous McDonalds.

The team played a game each day of the tour against local opposition. Their favorite venue was at Maitland Stadium where they played most of their games. Against mixed teams our boys played some outstanding soccer which surprised even their coaches. The Maitland team also treated our boys to dinner at the local Burger King. On the last night of the tour the coaches played against the Maitland coaches. After a very close game the Bermuda cocahes came out on top on an indoor soccer pitch.

Our boys visited MGM studios where they could be thrilled by rides such as King Kong. They also watched a special version of the Muppet Show and saw a re-enactment of a scene from Indiana Jones. All in all the tour turned out to be our most successful in terms of soccer played and, our boys returned to Bermuda exhausted but satisfied.

The Gang

The Washington Trip by Chantelle Simmons.

On Tuesday April 12, 1992, forty students and four teachers left Bermuda for Washington D.C. We stayed at the historic Starsburg Inn in Pennsylvania. Our tour guide was named Dannette and our bus driver was Bob Mayo.

While in Pennsylvania we visited the Amish country and the Hershey Chocolate factory. We also spent two evenings at the Rockville Shopping Outlet and played miniature golf and went bowling.

Next we spent four nights at the Best Western Hotel in Springfield, Virginia. It was only 10 minutes away from Washington D.C. While in Washington we went to three of the Smithsonian museums, the Capital, the White House, an illuminated tour of famous monuments, and the Hard Rock Cafe.

One of the most popular places that we visited was the Springfield Shopping Centre in Virginia. The tour later took us to Baltimore where we spent 4 hours in the National Aquarium. The group also went ice skating at the Fairfax Arena where most of us fell at least once.

I think that everyone enjoyed themselves and had a lot of fun.

Woodwork Club

Woodwork Club

This club was under the direction of Mr. Kirk. They held their gatherings on Thursdays after school, beginning in September, 1991. It was a mixture of both boys and girls mostly from Year 1 through Year 3. They embarked on a number of projects, from jewelry boxes to swords. Each member was given a free choice of what to maker and was guided through the entire production process by Mr. Kirk. If the project was too advanced or too costly then it was simplified to achieve the desired result but requiring less skill and cash.

The 1992 Ski Trip to Killinston

During the Easter break a group of 39 courageous students, accompanied by 4 teachers, set off for the snowy slopes of Killinston, Vermont. Enjoying perfect weather the group spent one week learning the skills and enjoying the thrills of skiing. Days were divided between instruction, individual skiing and hearty eating at the local base lodge and restaurants. Breakfasts were prepared on site by out students. Accommodation consisted of 4, 5 or 8 person condominiums. The 8 person condos also included a sauna and jacuzzi-lucky them! Instruction began at 9:15 a.m and continued until about midday. After that ous students were left to their own devices to choose the slopes best suited to their individual skills-green for beginners, blue for intermediates and black for the more advanced. The ski instructors were so impressed with our students' behavior that Winston and Keith were almost kidnapped and forced to remain in America. The fastest skier was Raymond Walker and 10 of the 39 students advanced to the black slopes by the end of the week. On the last day it snowed for the first time and our students had to drive to Boston in the snow. A great time was had by all participants.

The Music Department

One quarter of the school population is involved in the musical life of Warwick Academy. The music classes perform at Xmas Concerts, Summer Concerts and also at various functions in the community.

The most senior group is the Full Orchestra which is made up from our most skilled and experienced players. There is also a Concert Band and a String Orchestra of which 3rd, 4th and 5th year students form the membership. The Junior Band consists of 1st and 2nd year students. There is also a Jazz Ensemble for our senior students. We also have a very beautiful choir which is open to all students. This year the choir has over 60 members and has been invited to sing at the Belmont Hotel on numerous occasions.

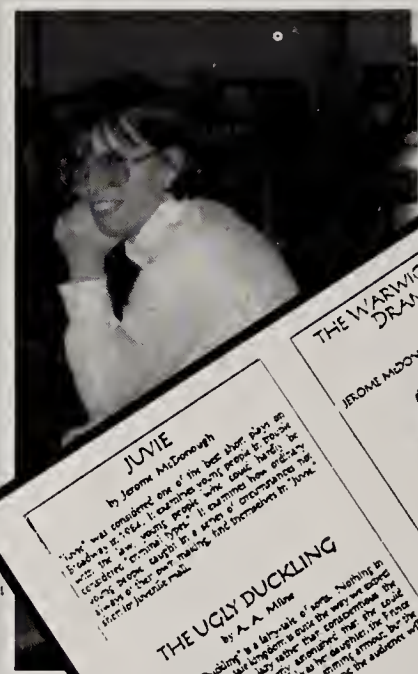
DRAMA

Jimmie



Mrs. Ingham

The Drama Club by Jimmie Denwiddie

For my extra activities this year I chose drama. Drama is carried out by Mrs. Ingham, Miss Smith and Miss Finch. On the whole the drama club was fun. We started off as one big class and we did different dramatic activities. As the year progressed the teachers chose students to be in one of the 2 plays that the drama club would be presenting.

I was chosen to be the king in the play called 'The Ugly Duckling'. I had a lot of lines to learn. I was afraid at first because I didn't think that I could remember all that. Our cast had a lot of practices which helped us to learn our lines.

Time was moving along for us to have the play and I still didn't have all my lines learned. I went into a panic trying frantically to get the lines in my heard.

During one assembly we had to give a brief scene from the play. I was very nervous and I couldn't speak up and, therefore, no-one heard me.

On the opening night I was very nervous and was frantically trying to say my lines. When it was time for my play I sort of calmed down but my heart was still beating. I messed up on one line but other than that it was okay. The next two performances were routine. They went smoothly for me each night and it got better and better.

Now that it is over I can't get the lines out of my head but I think that the play was excellent.

House Sports

The long awaited Xmas Term Sports Day finally took place on 13th March. The day was continually under the threat of rain but mercifully it stayed away. Morgan won the U13 Soccer and the U13 Netball. Robertson won the U15 Soccer. Patton won the O15 Soccer the 015 Netball. Rhodes won the U15 Netball. Overall the day turned into a victory for Patton and Morgan who won 510 points. Robertson had 390 points and they were followed by Rhodes with 320 points. At the middle of March Morgan were still in the overall lead with 8582 points.

Shortly thereafter came the Easter Term Sports Day on 30th March. This was the Track and Field Day which was enjoyed in glorious sunshine. The individual champions were as follows- U13 Tamika Williams and Athanasius Smith, U15 Renee Smith and Jarizinho Simmons, O15 Mekisha Hill and Shane Weeks and Randy Simons. Patton won the day with 1508 points, followed by Rhodes with 925, Morgan with 890 and Robertson with 871. At the end of March Corsan were still in the overall lead with 9678 points. Patton had replaced Rhodes in second place with 8806 points.
